Is there a cut off time for the race?

Yes, the maximum time to finish is 3 hours. The finish line will be closed at 12:00.

What will I find at the runner's Expo?

The Expo is the place where you can pick up your bib number and athlete's bag and find an exhibition of sport brands. Access is free.

The runner's Expo is held at the San Pablo Sports Center, on Friday, January 27th and Saturday, January 28th from 10:00 to 20:00 H.

Where and when can I pick up the bib numbers and the athlete's bag?

The bib numbers and the runner's bag will be given only during the runner's Expo. For organizational reasons, bib numbers and bag will not be available on raceday.

How can I get to the start zone?

By public bus, numbers: 2, 20 and 21, or by train "Cercanias" from Santa Justa station).

What documentation do I need to pick up the number and bag?

To pick up the bib number is required to present the receipt or copy of the registration (you got it by email) and identity document (ID, passport or driving license). To collect the runner's bag you must be in possession of the bib.

What happens if I can't pick up the number?

If you cannot pick it up, another person can do it in your name showing at the EXPO these documents: receipt or copy of the registration, photocopy of the identity document of the holder and the authorization form completed by you.

What does the athlete's bag include?

The athlete's bag includes a technical shirt and different gifts provided by the sponsors.

How should I use my bib?

Remember that the bib number is the element that identifies you. It is not transferable to another person. It is the element that allows you to access the start zone, finish line and other services of the race. You should always wear it visibly and throughout the race, place it in the chest area. Remember that it is not allowed to run without the bib number.

How is the timing of the race performed?

Each bib number will be equipped with a chip attached at the back of it.

What should I do if there is any circumstance of my state of health that should be known?

You must communicate the medical risk at the expo and prior to the celebration of the race. If you have a medical problem that requires special attention, you should carry a red cross mark on the back of your back and write your name, address, telephone number and specific health problem on the back. In this way, medical services will have that information faster.

How many Energy Stations will be?

There will be Energy Stations at kilometers 5, 10, 15 and at the finish line. They will be marked, so that you may see them from a sufficient distance. You will get water, isotonic drink and medical assistance. Additionally, at the finish line there are solid supplies.

The supplies are sized to serve all athletes. In all of them there is a line of sufficient tables and teams of volunteers to serve them. We ask for your collaboration to not collapse the first ones, thanks.

Where are health care points?

On the starting line, at kilometer 5, 10, 15 and finish points. In a complementary way and for greater security, there will be extra medical service at the race. They will attend to any need you have, in case you need urgent assistance during the race, stop and ask any member of the organization to alert medical services.

Is there a cloakroom service?

Yes, the organization has a cloakroom service close to the Start-Finish line. It will be available from 7:00 to 13:00 H. Your luggage is identified with a numbered tag that matches your number, which is the item that will allow you to pick it up at the end.

Are there toilets?

Yes, the organization has portable toilets located at the start and finish areas.

How can I get to the start zone? Is there a parking?

We recommend you to use public transport or share a vehicle.

If you need to travel with your personal vehicle we recommend that you do it well in advance. Park outside the areas reserved for the race and check the parking lots that you will be able to find during the previous days on the web.

MetrodeSevilla: Line 1, "Blas Infante" Station www.metro-sevilla.es/
Whatsapp: 609 402 906

Public BUS Check tussam.es to get to know which lines can you use on raceday.

Renfe trains: "Cercanías RENFE" line C4, stop at the San Bernardo station, connected to Metro www.renfe.com.

Taxi service: radiotaxidesevilla.es

Is it possible for someone to accompany me during the race?

Sorry, security is the main reason why it is not allowed. It is forbidden to follow runners on motorcycles, bicycles, roller skates or any wheeled gadget. It is also not allowed to run without a Bib number.

The agents guarding the race will take out those who break this rule from the circuit, in order to avoid accidents.

Where can my friends and family see or cheer me up?

At any point along the route and at the start and finish. There are also animation points. The Start-Finish zones will have public areas to support the athletes!

Are there starting boxes / corrals?

Yes, to make the start better. They are identified by colors that match the identification color of your bib. There are five corrals:

ELITE CORRAL SUB 1h20

CORRAL 1: SUB 1h 30min.

CORRAL 2: SUB 1h 40min.

CORRAL 3: SUB 1h 50min.

CORRAL 4: SUB 2h. 00min.

CORRAL 5: Rest of times.

Your personal best must be equal to or less than the time of the corral in which you wish to place yourself. To make the exit in box 1 (elite), a mark must be accredited in the last two years and in half marathon homologated circuits at the EXPO.

Will there be pacemakers?

Yes, there will be pacers who will help you achieve your goal. They will run steady to finish the race in 1h 30min. - 1h 40 min. - 1h 45min. - 1 hour. 50 min - 2h - 2h. 10 minutes. They will be clearly identified with a balloon.
